## ALERT Human Trafficking

### About the Workshop

An introduction to What is Human Trafficking including;

1. Differentiate EXPLOITATION VS TRAFFICKING IN PERSONS
2. Recognize FACTORS that lead to Vulnerability
3. Recognize challenges in working with survivors
4. Recognize some challenges to leaving
5. Identify processes in recruiting and grooming
6. Recognize and identify gaps in service
7. Youth factors and Social Media

There is also a brief overview of how ALERT conducts a Human Trafficking investigation and the steps involved.

### About the Presenter

ALERT operates with one overarching goal: to create safer communities for all Albertans. Established by the Government of Alberta in 2006 to combat organized and serious crime, ALERT brings 400 municipal police and RCMP officers together in teams to investigate everything from drug trafficking to child exploitation to gang violence.
